DIRECTOR'S REPORT

This is a busy season and many good things are taking place. I feel confident that we are making inroads toward progress.

Proposals have been submitted and grants awarded.

The fall feast at Holy Trinity has been scheduled for October 20th, 1983 from 6:00 p.m. to 10:00 p.m. The Indian community is encouraged to partake in this feast. The drawing for the Parade/Pow-wow Raffle will take place on this night. (WINNER NEED NOT BE PRESENT)

At present, we have in the center the Bonded Janitorial Service training CETA eligible clients. We have five (5) participants cleaning up the center and doing a good job.

Vistas Nuevas Head Start will be housed within our center. We encourage Indian enrollment. Classes are scheduled to begin in early October.

Have a good month.

Irene Lowry, Executive Director.

N.A.I.A. PRESIDENT'S REPORT

At our next regular membership meeting of the Detroit American Indian Center, November 6, 1983 at 5:00 p.m., we will be holding our elections for North American Indian Association, Inc., Board officers and Trustees.

If you know of anyone who is concerned with Indian Problems and would like to be part of a very beneficial Indian organization, tell them to come to our election.

The following offices will be open for elections: President, Second Vice President, Chairman, Treasurer and Trustees.

This could be our most important meeting of the year, so be there because we do need a quorum.

There are so many interesting programs and projects going on at the Detroit Indian Center and the Club. There are CETA projects, ANA projects, Senior Citizens and others. But, we must have good leadership to carry them out.

I hope to see you all at the next general membership meeting.

Ira Kiyoshk, President NAIA of Detroit.

COMMUNICATION GAP?

I really enjoyed myself at the N.A.I.A. Annual Picnic. (No crowds) There were approximately twenty-five (25) people there (two hundred picnic tables). I arrived at 8:00 a.m. and left at 8:00 p.m. (force of habit). These are the people I seen. . Two (2) Board members (I thought there was ten), one (1) Sister Princess (do we still have a Princess?), one (1) staff member from DAIC (is that all there are employed there). Well, maybe next year!

There was a good article in the Native Sun about the NAIA September 11th business meeting. It was stated to start at 5:00 p.m. Well, I was there from 5:00 p.m. to 5:30 p.m. and didn't see a soul so I left. The doors were locked at DAIC. Maybe the meeting took place later, I don't know. I know it was suppose to be an important meeting, but I called an officer of the NAIA and was informed that the parade was more important.

Member of the NAIA - Maynard Kennedy

TO WHOM IT MAY CONCERN:

In order for an outing of any kind to have a large turn out, there has to be some advanced notice. I work on the Newsletter and I don't believe anything was submitted to let anyone know that there was a planned picnic for September 10th. I didn't hear about it until the following Monday. I know there were a lot of people also who didn't hear about it until after it was over. If the person or persons in charge of arranging this event don't inform everyone or at least someone, then how can everyone or for that matter anyone go to something they don't even know about.

A special MEGWETCH to Frank (Alberts), Larry (Jones) and Cary (Severt) for their support at SGM Cloutier's retirement party. The ceremony was performed with great dignity and surpassed anything I ever dreamed of. I'm not the least bit sorry that we did not have the color guard in full dress--you don't need feathers to be an Indian. SGM Cloutier said that it was important to him that his heritage was recognized during this point in his life, and he and his family were deeply honored by your participation. I'm sure the occurrences of that evening have never been experienced before, nor can they be duplicated--but they will long remain in the memories of all present.

Sincerely, Dolores R. Esch, SFC AGR

MICHIGAN INDIAN DAY 1983

The day has passed, but hopefully the SPIRIT, PRIDE and UNITY that was displayed will live on each and everyday that the CREATOR allows us to walk on this great earth. Words cannot even begin to thank the countless number of people on committees, behind the scenes, volunteers, speakers, dancers and most important you the Indian community that helped make Michigan Indian Day 1983 a success.

The pride I myself felt as our youth and veterans passed by on Woodward caught me off guard and I was acutally overwhelmed, it filled my heart as well as my eyes with a great amount of joy and respect for all. As I paused and reflected on many things once again my thoughts were reaffirmed. I am very proud to be a NATIVE AMERICAN!!!!!!!!!!!!!!

HAPPY HALLOWEEN!!!

WHAT HAVE WE DONE TODAY?

We shall do so much in the years to come. But what have we done today?
 We shall give our gold in a princely sum. But what have we done today?
 We shall lift the heart and dry the tear. We shall plant a hope in the place of fear.
 We shall speak the words of love and cheer. But what have we done today?
 We shall be so kind in the afterwhile. But what have we done today?
 We shall bring each lonely life a smile. But what have we done today?
 WE shall give to truth a grander birth, and to steadfast faith a deeper worth.
 We shall feed the hungering soul of earth, but whom have we fed today?
 We shall reap such joys in the by and by, But what have we sown today?
 We shall build us mansions in the sky, But what have we built today?
 'Tis sweet in idle dreams to bask, But here and now do we do our task?
 Yes, this is the thing our soul must ask, "What have we done today?"
