IMPORTANT ELECTION

November 4th, 1984 at 5:00 p.m., the North American Indian Association will hold election of Officers. The five (5) seats that are open for election are President, 1st Vice President, 2nd Vice President, Secretary and Treasurer.

It is important that we fill these positions as it is a crucial time in the history of our Association. If President Reagan is re-elected, it is a good possibility that federal funds will be cut and that will hurt our Center.

The new Officers will have to be totally involved to keep the Center going.

It is time for the Community to pull together and get to the meeting and vote.

Robert Luxon, President
N.A.I.A.

DAIC Director's Report

The NAIA Board of Directors elections are coming up this month. We urge you to come to the election on November 4, 1984.

We are in the process of planning an Indian Art show as an economic development project for artists and also a fund raiser for the Center. If you are an artist or know of someone who has work to display and sell, please call Jan Deer at 963-1931. There will be no fee charged to artists who display their work.

I must apologize for an error in omitting two names from our Thank You list in Octobers' Newsletter. Very special thanks are in order for Bill LeBlanc, Executive Director of MICA, who joined the Michigan Indian Day Celebration as a Grand Marshall in the Parade and for speaking at the Pow-Wow. Special thanks to Officer Don Bardy, for arranging the convertible for the Grand Marshalls, for hand delivering letters, his input in organizing the Parade with Jan Deer and to his supervisor for assigning him to the Center for the day! Thanks again to everyone who participated.

The 3rd Annual Michigan Indian Day Celebration is in the planning stages; WE NEED COMMUNITY INPUT. Please contact the center with your ideas.

The children's Halloween party was planned by Center staff - Thank you staff. I hope the children had a good time.

I hope to see everyone at the election November 4th. Until next month...
