EDITOR CONTACT

As some of you know, I have been on medical leave since early July. Now that I am back at work, my schedule has been expanded to include returning to school to pursue a second degree. With my accounting department responsibilities and my studies, which begin September 8th, I find that I must resign as newsletter editor.

I would like to thank you all for your support of the Native Sun newsletter and for the cooperation you have given me. I would also like to thank the volunteers who put together the August issue—especially Jean Maples, Al Hill, Sandra Julet and Nancy Hall.

The position of newsletter editor is a volunteer job. I have found it to be enlightening, educational, delightful...and demanding! I am leaving the Native Sun in the hands of Jean Maples who has graciously agreed to accept the responsibility of being your new newsletter editor.

Please continue your support of the Native Sun and remember--SUBSCRIBE!

Sincerely,

Janis A. Roterman

NATIVE AMERICAN REQUESTS HELP

Dear Indian Community:

This letter is a direct appeal to the Indian community of this country for help. The help I need is a donation of your time, to sit down and write a letter in my behalf to Quin Denvir, California State De-ender, 107 South Broadway, Suite 9111, Los Angeles, CA 90012-4655.

I am an Anishanawbi, registered at the Fon du Lac Reservation, and I am presently in Folsom Prison. I was arrested for the shooting death of a California man. I am innocent. A California jury found me guilty of second degree murder with personal use of a firearm. The judge modified the jury's verdict saying in fact I did not commit the crime, but I was an accessory to the fact.

I am presently appealing my conviction and the State Public Defenders Office is assigned to assist me in my appeal. I would like you all to sit down and write a letter to Mr. Quin Denvir and let him know he and his colleagues are under the watchful eye of the Indian community to see that his office represents me to the fullest capacity, and if researched prepared and presented properly my appeal will be granted.

ATTENTION ALL CLIENTS

For all of you who have received less than 100% discount on doctor or dental fees, you have already received a bill if you were unable to pay at the time you received your services. These bills will cover services rendered as far back as a year ago, as our billing department was only established a few months ago and it has taken some time to catch up. Fees were assessed according to standard government scale based on your income.

Though we appreciate payment for these bills, we do not want to create a panic, hardship, bad feelings, and/or other problems for anyone. Our priority is to provide all of you with services--do not let the billing get in the way of your continuing to utilize our clinic.

In late August, 1983 Governor Blanchard appointed two additional commissioners to represent Detroit on the MICHIGAN COMMISSION ON INDIAN AFFAIRS. They are CAROL COULON, who is employed at DAIC as the new Indian Child Welfare Coordinator, and ROBERT LUXON, who is 1st Vice President of the NAI of Detroit, Inc. Board of Directors. HARRY COMMAND remains as the third Detroit commissioner. All three representatives are active members of the Detroit Indian community.

Congratulations, Commissioners!!!

FAREWELL AND GOOD LUCK

David Martin, Job Counselor, has left our center to further his education. He has been accepted at the Institute of American Indian Arts in Santa Fe, New Mexico. David will be taking a two (2) year course. He has only been with our organization for a short time, but he left us with a good feeling in our hearts for having known him.

Best of luck, Dave. We'll all miss you and your sunny disposition.

AT DAY'S END

Is anybody happier because you passed his way?
Does anybody remember that you spoke to him today?
The day is almost over, and its toiling time is through;
Is there anyone to utter now a kindly word of you?
Can you say tonight, in parting with the day that's slipping fast,
That you helped a single brother of the many that you passed?
Is a single heart rejoicing over what you did or said;
Does the man whose hopes were fading, now with courage look ahead?
Did you waste the day or lose it? Was it well or sorely spent?
Did you leave a trail of kindness, or a scar of discontent?
As you close your eyes in slumber, do you think that God will say,
"You have earned one more tomorrow by the work you did today?"
